

## Ocean Health Index for the US Northeast Workshop

September 21, 2017

Renaissance Hotel, Providence, Rhode Island

### Workshop Objectives:

The objectives of this one-day workshop are to:

1. Inform the development of reporting regions and goal priorities to advance the Ocean Health Index effort in the US Northeast
2. Create a shared vision of overall project timeline, priorities, near- and long-term objectives, roles, and responsibilities, including potential goal-specific workgroups based on participant interest

Solicited feedback from the workshop will be used to begin drafting the regional assessment.
